

PLAY KITCHEN

TINY LAND®

ASSEMBLY INSTRUCTIONS

3 YEARS+

PLEASE READ FIRST

WARNINGS

- Do not over-tighten screws when assembling.
- When assembling a part using several screws, please align them with the corresponding holes and gently tighten them first. Ensure that all screws are properly aligned and secured and then proceed to gradually tighten each one.
- Laying out all accessories on a hard, flat, and level surface for installation.
- Please follow the instructions step-by-step.
- Assembly requires two adults.

PARENTAL SUPERVISION REQUIRED

- This toy is intended for children aged above 3.
- Parents should supervise the play area so that children younger than the intended age range do not interact with this toy.
- Use this toy on a hard, flat, and level surface.
- Do not allow children to pull, climb, sit, or stand on any part of the play kitchen.

CLEANING INSTRUCTIONS

- Clean the surface using a slightly damp cloth and mild dish washing liquid if necessary.
- Don't use any cleaning product containing alcohol or ammonia, which may dull the surface of the product.

SOLE AND LIMITED WARRANTY

- This product includes a 90-day warranty from the date of receipt, covering any non-man-made damages. For any issues or concerns within this period that are not due to misuse or accidental damage, please reach out to our customer service team for support.

IMPORTANT

Be smart-sort your parts!
Be sure you have all required parts BEFORE beginning assembly!

Please use a manual screwdriver for assembly or set the electric screwdriver to the MINIMUM TORQUE to avoid damaging the product. If the minimum torque is not sufficient to turn the screws, gradually increase the torque as needed.

**DO NOT FULLY TIGHTEN SCREWS UNTIL
ALL PANELS ARE CONNECTED.**

To complete assembly, use a hand-held screwdriver to fully tighten all screws until they're snug.

DO NOT OVER-TIGHTEN!

Over-tightening will cause the product to crack!

If you find it difficult to assemble the toy or have any other problems with the product, please contact us via email at customer_care@tinylandus.com. We will do our best to resolve your problem and provide a solution to your satisfaction.

34

35

36

⚠ Note: Remove protective film before use.

⚠ Note: First, insert part **J** into the bottom hole of the base. Then insert the **35** sections into the top.

⚠ Note: Align part **J** with the bottom holes of part **35** and tighten with two screws **E**.

41

⚠ Note: First, insert the two number **J** parts into the bottom hole of the base. Then insert the **13** and **14** parts sections into the top.

⚠ Note: Align part **J** with the bottom holes of part **13**, **14** and tighten with four screws **E**.

⚠ Note: Remove protective film before use.

46

⚠ Note: First, insert the two number **J** parts into the bottom hole of the base. Then insert the **34** and **36** parts sections into the top.

⚠ Note: Align part **J** with the bottom holes of part **34** , **36** and tighten with four screws **E** .

As shown in the picture, the main part of the kitchen frame has been assembly!

Congratulations! You have finished assembling your adorable play kitchen!

This safety bracket is designed to secure the furniture to the wall and prevent it from tipping over if a child climbs or hangs on it. Do not allow children to climb on it. The package contains parts for two different methods to attach the bracket to the wall. Different wall materials may require different types of fasteners. If you are unsure about the appropriate screws or fittings to use, please consult your local hardware store.
